MEMORANDUM FOR: [REDACTED]

SUBJECT : Trip Report to Pacific Area - 4-15 October 1958
(DPS-4979)

I am inclined to agree with your recommendations in paragraph 10 of the referenced trip report, subject to the views of interested parties in DPS/DCI. I am going to put this matter on the Agenda for the next DPS Staff Meeting and place responsibility at that time on one individual to initiate communications to the field as circumstances warrant.
